Project Summary

Title: Luxury Contemporary Garden with Entertaining Area

Style: contemporary luxury | **Maintenance:** low maintenance

Area: 120m² | **Budget:** £26,000

AI Design Summary:

Dear Sarah Thompson,

Thank you for the opportunity to design your contemporary luxury outdoor space. This quote reflects a refined and elegant garden layout, featuring 50m² of premium porcelain paving for a sleek, modern patio, and 30m² of light grey composite decking to create a stylish, cohesive flow. The addition of 25m² of high-quality artificial turf offers the look of a lush lawn without the upkeep, while 25m of graphite composite fencing provides a sophisticated, low-maintenance boundary. Integrated lighting (12 units) enhances both ambience and security, allowing you to enjoy the space well into the evening. All materials have been selected for their durability, premium finish, and ease of care—offering lasting value with minimal effort.
